

Natural Horsemanship / Riding lessons

Have a cranky horse?
Does she not want to
trailer load? Toss her
head when you are
trying to steer her or
only make left turns?

Have you lost your
confidence? Looking to
get back in the saddle on
a calm and quiet horse?
I have one just for the
job you can ride.

Are you ready to
improve the

relationship with your horse, do you want to get the
communication so good that your friends are “wow-ed”?

Natural Horsemanship lessons available around the Reno /
North Valleys / Washoe Valley / Sparks / Palomino Valley area

Weekday special \$30/hour *(travel-charge might apply)*
