1. **Call meeting to order**

   Welcome every one

   We wanted to hold a quick meeting tonight as rodeo starts for some of our members next week.

   Quick recognition of a few people who made our rendezvous happen:

   Toni – hours organizing and planning; coordinating with members for food, events and more; shopping and pre-cooking meals.

   Terry & Lolly – coming up from Las Vegas to cook all of our fantastic dinners and getting up early to set up coffee.

   Trail Crew – multiple trips, scouting out various trails and even doing trail maintenance to clear trails for better access.

   All Members – you all took of work to attend the rendezvous

   Steve Clifford – even while working a full schedule he was able to be here.

   Tammy – even after moving to Corning, CA she has stayed with us and even organize the poker ride for Friday.

2. **Tonight's Featured Entertainment – Tony Argento**

   Welcome to Tony and his wife. They have come to entertain us with his cowboy poetry. Round of applause as we welcome them both to our club this evening.
